NOTICE OF PLAN REJECTION

Date:	March 20, 2026	Project:	Glenwood South Mixed-Use
Permit #:	SP-2026-0188	Rejection Reason:	Incomplete Submission

Dear Applicant,

Your site plan submission has been **REJECTED** and returned without review due to the following deficiencies:

1. Stormwater management plan not included (required per Raleigh UDO Section 9.2.2)
2. Traffic Impact Analysis not included (required for developments generating >100 peak-hour trips)
3. Plan sheets not sealed by a licensed NC Professional Engineer
4. Application fee payment of \$2,400 not received (check returned for insufficient funds)
5. Adjacent property owner notification affidavits not included

Please correct these deficiencies and resubmit. A new application fee will be required. No review has been conducted on the technical merits of the plan.
